## Chapter 1 – Introducing Networks and the Internet

Desktop Computing .....	1
Mobile Computing.....	2
Networks .....	3
Files and Folders.....	6
Intranets, Extranets, and the Internet .....	7
Telecommunications.....	7
Internet Services.....	8
Using Internet Explorer.....	11
Practice: Using Internet Explorer.....	12
Searching the Web .....	16
Practice: Searching the Web .....	17
Evaluating and Citing Web Pages .....	17
Practice: Citing a Website .....	18
Using Outlook Express.....	19
E-mail Etiquette.....	21
Internet Privacy Issues .....	22
Internet Acceptable Use Policy .....	23
The Social and Ethical Implications of Computer Use .....	23
Protecting Computer Software and Data .....	24
The Ethical Responsibilities of the Web Developer .....	26
Careers.....	26
IT Departments and Companies .....	27
Pursuing an IT Career.....	27
Chapter Summary .....	28
Vocabulary .....	30
Internet Explorer Commands and Buttons.....	34
Outlook Express Commands and Buttons.....	34
Review Questions .....	35
Exercises .....	37

## Chapter 2 – HTML

The World Wide Web.....	41
HTML .....	42
Creating an HTML Document Using Notepad ...	44
Viewing HTML Documents in a Web Browser ...	45
Practice: first_document.htm .....	45
Creating Paragraphs and Line Breaks .....	47
Headings .....	47
Adding Horizontal Rules.....	48
Practice: Computer Viruses – part 1 of 5 .....	48
Creating Lists.....	50
Practice: Computer Viruses – part 2 of 5 .....	50
Tables .....	52
Hyperlinks .....	52
Practice: Computer Viruses – part 3 of 5 .....	53
Adding Images .....	55
Using Comments.....	55
Style Sheets .....	56
Adding Color .....	56
Changing Alignment .....	57
Practice: Computer Viruses – part 4 of 5 .....	57
JavaScript.....	59
Practice: Computer Viruses – part 5 of 5 .....	60
Java Applets .....	61
Practice: Java Applet.....	61
Chapter Summary .....	63
Vocabulary .....	64
HTML Tags .....	65
Notepad Commands .....	65
Internet Explorer Commands and Buttons.....	65
Review Questions .....	66
Exercises .....	67

## Chapter 3 – Introducing Dreamweaver

Dreamweaver MX 2004 .....	71
Defining a Website in Dreamweaver .....	72
Practice: Computer Ergonomics – part 1 of 8 ...	72
Creating a Web Page Document .....	75
The Page Title.....	76
Viewing a Web Page Document.....	76
Practice: Computer Ergonomics – part 2 of 8 ...	77
Using a Table to Arrange Content .....	78
Creating a Table.....	80
Changing Cell Width and Height.....	81
Practice: Computer Ergonomics – part 3 of 8 ...	82
Adding and Deleting Rows and Columns in a Table.....	83
Adding Text Content to a Table.....	84
Checking Spelling.....	85
Practice: Computer Ergonomics – part 4 of 8 ...	85
Printing a Web Page Document.....	87
Closing a Web Page Document and Quitting Dreamweaver.....	87
Opening a Website for Editing.....	88
Practice: Computer Ergonomics – part 5 of 8 ...	88
Opening and Displaying Web Page Documents .....	89
Practice: Computer Ergonomics – part 6 of 8 ...	90
Text Hyperlinks.....	92
External Hyperlinks .....	93
Displaying a Linked Web Page in a New Window .....	93
Practice: Computer Ergonomics – part 7 of 8 ...	93
The Dreamweaver Site Map .....	95
Practice: Computer Ergonomics – part 8 of 8 ...	96
Chapter Summary .....	96
Vocabulary .....	98
Dreamweaver Commands and Buttons .....	99
Review Questions .....	101
Exercises .....	103

## Chapter 4 – Website Development

Website Development.....	115
Defining the Purpose and Target Audience .....	116
Practice: Pasta Restaurant – part 1 of 7 .....	117
Determining the Web Pages and Navigation Structure.....	117
Determining the Content.....	118
Practice: Pasta Restaurant – part 2 of 7 .....	118
Defining Navigation Bars .....	119
The Web Page Layout .....	120

Practice: Pasta Restaurant – part 3 of 7 .....	121
Concepts of Design .....	122
Design Concepts: Appropriateness .....	123
Design Concepts: Placement .....	123
Design Concepts: Consistency .....	124
Design Concepts: Usability .....	125
Practice: Pasta Restaurant – part 4 of 7 .....	125
Organizing Files and Folders.....	126
Practice: Pasta Restaurant – part 5 of 7 .....	127
Maintaining Consistency in a Website .....	129
Merging and Splitting Cells .....	129
Practice: Pasta Restaurant – part 6 of 7 .....	131
Creating and Editing Library Items .....	133
Inserting a Date .....	134
E-mail Hyperlinks .....	135
Copyright Information .....	135
Practice: Pasta Restaurant – part 7 of 7 .....	136
Chapter Summary .....	138
Vocabulary .....	140
Dreamweaver Commands and Buttons .....	141
Review Questions .....	142
Exercises .....	144

## Chapter 5 – Images in Dreamweaver and Fireworks

Graphic File Formats for Web Pages .....	159
Alternative Text .....	161
Graphic Hyperlinks .....	161
Practice: SCUBA – part 1 of 8 .....	161
Creating an Image Map.....	163
Practice: SCUBA – part 2 of 8 .....	165
Using a Spacer GIF.....	166
Practice: SCUBA – part 3 of 8 .....	167
Aligning an Image .....	168
Resizing and Resampling an Image.....	168
Practice: SCUBA – part 4 of 8 .....	169
Introducing Fireworks MX 2004.....	170
Drawing Objects in Fireworks .....	171
Adding Text in Fireworks .....	173
Aligning Objects in Fireworks.....	174
Modifying the Canvas.....	175
Optimizing and Exporting a Fireworks Document.....	175
Practice: SCUBA – part 5 of 8 .....	178
Creating a Button Symbol in Fireworks .....	180
Button Symbol Rollover Behavior.....	182
Practice: SCUBA – part 6 of 8 .....	183
Exporting HTML and Images from Fireworks... 187	
Using an Exported HTML Document in Dreamweaver.....	189

Changing Behaviors in Dreamweaver .....	189
Practice: SCUBA – part 7 of 8 .....	190
Cropping an Image in Fireworks and in Dreamweaver.....	192
Editing an Image in Fireworks from Dreamweaver.....	194
Practice: SCUBA – part 8 of 8 .....	194
Chapter Summary .....	196
Vocabulary .....	197
Dreamweaver Commands and Buttons .....	198
Fireworks Commands and Buttons.....	198
Review Questions .....	199
Exercises .....	201

## Chapter 6 – Typography, Style Sheets, and Color

Typography .....	213
Design Considerations: Choosing Fonts .....	213
Design Considerations: Font Size .....	214
Design Considerations: Line Height .....	215
Design Considerations: Type Styles .....	215
Design Considerations: Alignment.....	216
Style Sheets .....	216
Creating and Applying a CSS Rule .....	218
Creating and Applying a CSS Class .....	219
Editing HTML Code .....	220
Practice: COFFEE – part 1 of 7 .....	221
Working with CSS Styles .....	225
Formatting Headings .....	225
Practice: COFFEE – part 2 of 7 .....	226
Indenting with Blockquotes .....	228
Lists .....	229
Practice: COFFEE – part 3 of 7 .....	230
Using Color in a Website.....	231
Changing Background and Text Color .....	233
Practice: COFFEE – part 4 of 7 .....	234
Hyperlinks to Named Anchors .....	235
Practice: COFFEE – part 5 of 7 .....	236
Changing Hyperlink Colors.....	237
Using Content from Other Sources .....	237
Practice: COFFEE – part 6 of 7 .....	238
Cascading Style Sheets – Positioning.....	240
Practice: COFFEE – part 7 of 7 .....	241
Chapter Summary .....	242
Vocabulary .....	244
Dreamweaver Commands and Buttons .....	245
Exercises .....	247

## Chapter 7 – Introducing Flash

Flash.....	257
Creating Flash Buttons in Dreamweaver .....	258
Arranging Flash Buttons in a Web Page Document.....	259
Practice: SAMPLER – part 1 of 10 .....	260
Using Flash Movie Files .....	262
Practice: SAMPLER – part 2 of 10 .....	262
Creating Flash Text in Dreamweaver.....	263
Practice: SAMPLER – part 3 of 10 .....	265
What is Animation?.....	265
Introducing Flash MX 2004 .....	266
The Flash Tools Panel .....	267
Creating a Flash Movie .....	268
Frame-by-Frame Animation.....	269
Editing Techniques .....	270
Practice: SAMPLER – part 4 of 10 .....	271
Exporting a Flash Document .....	273
Organizing and Using Flash Movie Files in Dreamweaver.....	274
Practice: SAMPLER – part 5 of 10 .....	275
Shape Tweening .....	276
Practice: SAMPLER – part 6 of 10 .....	276
Creating Symbols to Optimize a Flash Movie...	278
Motion Tweening .....	279
Practice: SAMPLER – part 7 of 10 .....	280
Using Layers .....	283
Animating Text.....	284
Practice: SAMPLER – part 8 of 10 .....	286
Importing Sound Files .....	286
Practice: SAMPLER – part 9 of 10 .....	288
Importing Video.....	289
Practice: SAMPLER – part 10 of 10 .....	290
Chapter Summary .....	291
Vocabulary .....	293
Dreamweaver Commands and Buttons .....	293
Flash Commands and Buttons.....	294
Review Questions .....	295
Exercises .....	297

## Chapter 8 – Website Content and ColdFusion Technology

Electronic Portfolios.....	305
Website Categories .....	306
Creating a FAQ Page.....	309
Practice: BELLUR – part 1 of 5 .....	310
Importing Tabular Data .....	311
Practice: BELLUR – part 2 of 5 .....	312
Creating a Site Map.....	313
Practice: BELLUR – part 3 of 5 .....	313

Adding Jump Menus .....	314
Practice: BELLUR – part 4 of 5 .....	315
Creating a Form.....	316
Check Boxes and Radio Buttons .....	318
Scrolling Lists and Drop-Down Menus.....	319
The Validate Form Action.....	321
Practice: BELLUR – part 5 of 5 .....	321
Interactive Forms .....	326
Dynamic Web Pages .....	327
Connecting to a Data Source .....	328
Creating and Displaying Recordsets .....	329
Practice: Bellur Current Stock .....	329
Vocabulary .....	335
Dreamweaver Commands and Buttons .....	336
Review Questions .....	337
Exercises .....	338

## Chapter 9 – Publishing and Promoting a Website

Publishing a Website .....	347
Checking Spelling and Grammar .....	348
Checking the Download Time.....	348
Practice: PUBLISHING – part 1 of 4.....	349
Target Browsers.....	349
Previewing in a Target Browser.....	350
Practice: PUBLISHING – part 2 of 4.....	351
Testing the HTML for Target Browser Compatibility .....	351
Testing for Broken Links and Missing Links....	352
Checking for HTML Problems.....	353
Practice: PUBLISHING – part 3 of 4.....	353
What is a Web Host?.....	355
Publishing to a Web Server .....	355
Publishing to a Local/Network Server.....	357
Maintaining a Website .....	358
Collaboration .....	358
Promoting a Website.....	361
Practice: PUBLISHING – part 4 of 4.....	363
Measuring Success .....	364
Website Security Issues .....	364
Chapter Summary .....	365
Vocabulary .....	367
Dreamweaver Commands and Buttons .....	368
Review Questions .....	369
Exercises .....	370

## Appendix A – Banner Ads and ActionScript

Banner Ads.....	373
Creating a Banner Ad Using an Ad Template in Flash .....	373
Adding Banner Ad Content.....	375
Adding ActionScript.....	376
Completing and Testing the Banner Ad.....	377
Other Types of Web Ads .....	377
More on ActionScript .....	378

## Appendix B – Digital Camera Files

Digital Camera File Formats .....	379
Maintaining Image Quality in JPG Files .....	379
Digital Camera Image Resolution.....	380
Changing Image Size and Resolution in Fireworks .....	380

## Appendix C – Templates

Templates.....	383
Creating a Template .....	384
Adding Editable Regions .....	384
Applying a Template to a Web Page.....	385
Document.....	385

## Appendix D – HTML Tags and Attributes

HTML Tags and Attributes .....	387
--------------------------------	-----

## Index

Index .....	389
